Our hot lunch program has been a huge success so far this school year! At this time we are adding some new items to our menu to provide some variety for our students. Boston Pizza will be providing us with Bugs and Cheese Pasta on Tuesdays and Meat or Vegetarian Lasagna on Thursdays. All of these new food items fall within the Halifax Regional School Board Food and Nutrition Policy.

Please remember that hot lunch orders are collected on Friday mornings!!! If there is any changes to hot lunch collection, it will be noted on the bottom of that weeks order form. If you do not receive a hot lunch form, they are available on our school website. Cash only and correct change will be accepted, no cheques please. Please ensure that your child's name and class is on the form, not just on the envelope that it is sent in. Please also note that milk cannot be ordered for only one or two days, it must be ordered for the week. Also, students cannot receive chocolate milk on some days and white on others, as this is just too confusing for delivery. Thank you for your cooperation in helping our hot lunch program run smoothly.
