Dear Parent/Guardian:

February is the month for early registration for students who will be starting school in September 2010. Students who are 5 years of age on or before December 31st 2010 are eligible to register for Grade Primary, Monday to Friday during regular school hours. Parents registering their children must bring their child's birth certificate and proof of residency (utility bill, lease agreement, etc.).

If you are interested in registering your child for Early French Immersion, there will be an informational meeting Monday, February 15th at 6:30 in the library. Any questions about the Early French Immersion Program can be addressed at this meeting.

It is important for schools to get a count of students entering school in September so we are able to project how many staff we will need to meet the needs of the school - so please register and pass this info along to others who have children who will be 5 years old on or before December 31st 2010.

Registration ends February 26, 2010.
